

TOBACCO

BULLETIN OF TOBACCO SCIENCE AND PROFESSION

Vol. 56 № **1-2** P. 01-36 PRILEP JANUARY
FEBRUARY **2006**

CONTENTS:

Original scientific papers:

- M. Mitreski, J. Aleksoski, A. Korubin-Aleksoska
Obtaining a resistance to black shank (*Phytophthora parasitica*
var. nicotianae) in tobacco (*Nicotiana tabacum* L.) 03-10
- V. Pelivanoska, M. Naumoska, J. Trajkoski
Some new technologies for production of tobacco seedlings 11-16
- V. Dimeska, S. Stojkov, V. Krsteska
Monitoring the pathogenic effect of parasitic fungus *Peronospora tabacina* A.,
the causing agent of blue mold disease on tobacco,
in R. Macedonia and in the world 17-22
- P. Taskoski:
Detecting the resistance of oriental tobacco varieties to
Phytophthora parasitica var. nicotianae through excised leaf technique 23-30
- M. Dimitrieski. G. Miceska
The effect of seed categories upon productional characteristics
of oriental tobaccos Prilep and Yaka 31-35

TOBACCO

BULLETIN OF TOBACCO SCIENCE AND PROFESSION

Vol. 56

№ **3-4**

P. 37-82

PRILEP

MARCH
APRIL**2006**

CONTENTS :

Original scientific papers:

M. Dimitrieski, G. Miceska:

Productional and quality characteristics of some lines of tobacco
type Prilep grown in dry conditions 39-45

J. Trajkoski, V. Pelivanoska

Investigation and introduction of a new way for tobacco storage
in istiva-bales 46-57

B. Gveroska, P. Taskoski:

The brown spot disease on tobacco in the Republic of Macedonia 58-67

V. Nikolova, D. Dracev:

Tecnological study on burley tobacco of Yambol region 68-72

T. Miceski:

Methodic approach to organization of modern family
business-tobacco production 73-82

TOBACCO

BULLETIN OF TOBACCO SCIENCE AND PROFESSION

Vol. 56 № **5-6** P. 83-122 PRILEP MAY
JUNE **2006**

CONTENTS:

Original scientific papers:

- G. Miceska, M. Dimitrieski:
Dihaploids from anthers of oriental tobaccos and
their morphological characteristics 85-91
- M. Dimitrieski, G. Miceska, I. Risteski, K. Kocoska:
Variability of chemical composition in semi-oriental tobacco type Otlia
depending on the variety and the way of growing 92-98
- R. Bozinova, P. Zaprjanova:
Effect of long-term fertilizing on potassium content in rendzina soil
and its uptake by tobacco 99-104
- T. Vaneva - Ganceva:
Efficacy of some insecticides in the control of tobacco aphid
(*Myzus nicotianae* Blackman) 105-108
- D. Dracev, V. Nikolova, V. Popova:
Comparative technological evaluation of Zihna variety and
Bulgarian tobacco varieties of the Basma ecotype 109-115
- S. Stojanoska, L. Stojanoski:
Regional representation and structure of tobacco production
in the Republic of Macedonia 116-122

TOBACCO

BULLETIN OF TOBACCO SCIENCE AND PROFESSION

Vol. 56 № **7-8** P. 123-164 PRILEP JULY
AUGUST **2006**

CONTENTS :

Original scientific papers:

R. Tranceva:

Investigation of the resistance to black shank disease in oriental tobacco varieties and lines and its inheritance in hybrids of F1 generation 125-129

M. Dimitrieski, G. Vasileski, Lj. Marinkovic, G. Miceska:

Variability in degustational characteristics of tobacco type Prilep depending on the variety and laser treatment 130-137

B. Gveroska, P. Taskoski:

Reaktion of tobacco varieties to the brown spot disease 138-148

D. Dracev, V. Nikolova:

Technological study on the quality of tobacco varieties Dzhebel K 81 and Krumovgrad 90 grown in unconventional regions 149-158

V. Popova, D. Dracev, V. Nikolova:

Investigations on the burning properties of Burley tobacco grown in different regions of Bulgaria 159-164

TOBACCO

BULLETIN OF TOBACCO SCIENCE AND PROFESSION

Vol. 56

№ **9-10**

P. 165-208

PRILEP

SEPTEMBER
OCTOBER**2006**

CONTENTS :

Original scientific papers:

R. Tranceva:

New selected lines resistant to blue mold and TMV suitable
for the regions of Custendil and northern part of Blagoevgrad 167-172

N. Zdraveska:

Agrochemical analysis of soils in the tobacco producing region of Ovce Pole 173-182

V. Nikolova, D. Dracev, N. Nikolov:

Investigation on the typical nature of the bulgarian Virginia tobaccos 183-189

K. Filiposki:

Statistical analysis of monofactorial trial with fertilization
by the analysis of variance 190-200

T. Miceski:

Simple approach to investments planning and effects
in farm production of oriental tobacco 201-208

TOBACCO

BULLETIN OF TOBACCO SCIENCE AND PROFESSION

Vol. 56 № **11-12** P. 209-253 PRILEP NOVEMBER
 DECEMBER **2006**

CONTENTS :

Original scientific papers:

- B. Gveroska, P. Taskoski:
 The effect of nutrient medium upon the growth of
Alternaria alternata in tobacco 211-216
- P. Tačkoski, B. Gveroska, M. Dimitrieski, G. Miceska:
 Transmission of tobacco mosaic virus and symptoms of virosis 217-224
- S. Stojanoska, L. Stojanoski:
 Regional representation certain tobacco types in the Republic of Macedonia 225-231
- T. Miceski, S. Stojkoski:
 The effect of natural factors on tobacco production in Republic of Macedonia 232-238
- S. Savoska:
 Operating management – How we can improve process
 of tobacco purchasing with automaton of process and data acquisition 239-246
- M. Dimitrieski, G. Miceska:
 Comparative investigations of some newly created varieties
 of oriental tobacco in the region of Prilep 247-253
